

# “Our FCB banker delivers great service, and We’re lovin’ it!”

**“WE HAVEN’T RECEIVED THIS KIND OF PERSONAL SERVICE IN YEARS!”**

**Pete & Helen Cinquegrani**  
*Former McDonald’s Franchise Owners, Entrepreneurs*

When Pete Cinquegrani called First Community to initiate banking online, he expected good information and personal service. He was more than surprised when his FCB banker made a house call to personally connect him to [www.fcbankgroup.com](http://www.fcbankgroup.com). Now Pete reviews his bank accounts at his convenience, and continues to rave about the service.

You can also get this personal level of service that mega banks can't or won't provide. While we can't promise to make house calls, we do promise...and deliver...above-and-beyond service every day.

Are you ready to bank where people really do come first?
