

“Our physical therapists are local professionals. Our bankers are too.”

RELATIONSHIPS.
FCB OPERATES
THE SAME WAY.”**

Greg Newsome
Newsome Physical Therapy, Inc.

Greg Newsome understands the importance of community. With over 22 physical therapy clinics, he knows healthcare is a localized field. “We have always felt that our physical therapists should live in the communities they serve. That is how we have grown over the years—local people serving loyal community clients.”

FCB runs the same way. Our people live here, work here, and understand our community. If you’re ready for that kind of banking environment, call us today.
