

“An FCB Business Loan is helping us expand our vault business.”

Conrad Knauer with sons Robert, Louis, and Conrad, Jr. have built a rock-solid business that manufactures, sets and seals burial vaults exclusively for area funeral homes.

When an expansion opportunity surfaced, the Knauer's turned to First Community Bank for guidance. Their banker of 20 years structured a commercial loan to fund the purchase with a competitive interest rate and a comfortable payment schedule.

Learn how a First Community Commercial Banker can help your business grow.
