“When I read the names of First Community Bank’s Founding Organizers, I knew that becoming a charter investor and client was a smart decision. The Directors are all solid, respected local business professionals who guide the Bank as successfully as they do their own businesses.”

That’s a powerful endorsement coming from former Chief of Police Dave Gerdes—a man who spent his 34-year career keeping his community safe and secure.

It’s a comfort to know—like Dave Gerdes—that you can bank confidently with local people who are here for the long haul—your friends and neighbors at FCB.
