

“Caring about people is who we are. Just like our FCB bankers.”

“FCB MAKES A POSITIVE DIFFERENCE IN THE COMMUNITY.”

Helping people motivates The Friends of Sunny Hill to raise friends and funds that provide the ‘lovely extras’ for their residents. When the volunteer group decided to move their banking to First Community Bank it was because they met banking professionals who also care about people.

“FCB is a nice bank—and even as they grow, they still care about us.”

Remember when bankers knew your name and cared about you? At First Community Bank, we still do. Come see.
