A 43-year veteran in the auto business, Jake Jakovich attributes his success to knowing that the difference between selling a car and earning his customer's confidence is keeping his word.

“I've done business with the same banker for years—we've become friends. I not only like and respect her, I know she always does what she promises to do. When she moved to First Community Bank, I did too.”

What are you waiting for? A trustworthy FCB banker is eager to start a business relationship with you.
