When patients seek the services of Dr. Paula Lapinski, dermatologist, or Dr. Jose Rios, plastic surgeon, they usually want a physical problem corrected.

When the purchase of a new building to house their growing practice was hindered by their former bank's delays, Lapinski and Rios asked First Community Bank to solve the problem.

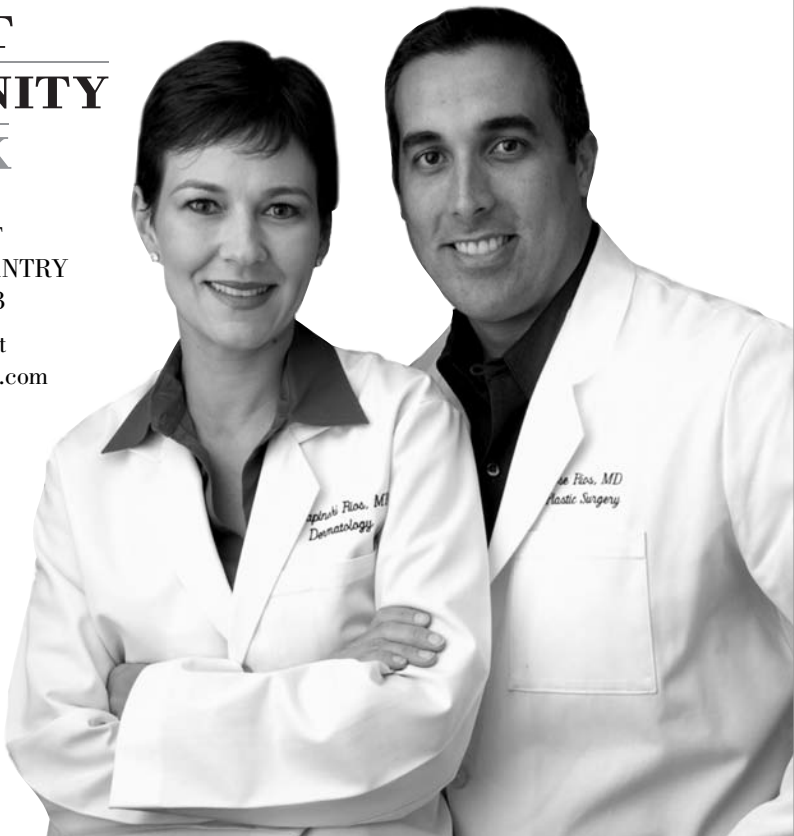

Results? FCB rescued the transaction in record time, and gained satisfied new clients. Like these respected physicians, we don't promise miracles, but we are very good problem solvers. Come see.
