

“Want great service when you want it? This bank delivers.”

**“I LISTEN TO MY
CUSTOMERS AND
RESPOND QUICKLY
TO THEIR NEEDS.**

**I WANT A BANK
THAT OPERATES
THE SAME WAY.”**

When John Manner started his insurance agency 32 years ago, he adopted a foundational principle—to assess the urgency of his customers’ problems and deliver timely solutions. As his firms’ growth attests, that formula for high-response service has proven successful.

First Community Bank is also in the high-response business. We believe that clients want a banker who listens. Who gives prompt loan approvals. Who welcomes face-to-face meetings. Who makes the decisions that make banking easier.

Our responsiveness to you is all possible because we are a local bank committed to building a trusted relationship with you. If you’re ready for service when you want it, come see us.
