Faithful fans continue to line up for Sonny's Delite unique soft serve ice cream as they have since 1984. When Mike Kiernan decided to purchase the thriving shop from his parents, he turned to First Community Bank for financing and got that and more. “My Bank wants us to succeed. Their Loyalty Club Rewards Program helps us attract new customers and it doesn't cost us a dime.”

We value our business clients and recommend them to everyone we know. That's FCB loyalty—and we invite you to join the Club today.
