Bob Pekol knows a thing or two about loyalty. For 60-plus years, Syl's Restaurant has earned a fiercely loyal following by serving up great food and friendly service. Today, Bob and three active partners maintain the Syl's tradition.

Bob is also an original investor, client, and friend of First Community Bank. He says, “Most banks are too big and too impersonal to give top-notch service that earns client loyalty. Mine does. Does yours?”

Let's talk.
