

“For us, banking at First Community is all about loyalty.”

Perry Walker,
CEO
Rae Jean Walker,
CFO, Business
Office Manager

Rae Jean and Perry Walker, founders of Tire Tracks, have relied on the expertise and integrity of the same banker for 25 years.

“He helped grow our business from a single location to 12 (with #13 coming soon) retail stores selling tires, auto parts, and service,” say the Walkers. “When he moved to First Community Bank, we did too.”

At FCB the Walkers not only reap the rewards of their loyalty, they’re welcomed like valued friends.
