

# “We trust a bank that treats us like family.”

The D’Andrea family values loyalty. Parents Armand and Rose taught Marion, Nick, Pat and Rosalie that trust is foundational to successful personal and business relationships. When their trusted banker joined the First Community Bank family, the D’Andreas did too.

If you are frustrated with the prevailing ‘customer-by-number’ mentality and want to build a relationship with a banker who takes time to know you, who is eager to give you personal service, and who treats you like a valued member of the family . . . come to First Community Bank, where people come first.
